REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Pending claims 12-21 are allowed because the prior art neither teaches nor suggests the use of the peptides to decrease tumor size. Additionally there is not double patenting between the instant set of claims and the claims of US 6417325 because of the restriction requirement in 09/357717..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sheela J Huff whose telephone number is 571-272-0834. The examiner can normally be reached on Tuesday 5:30am-11:30am and Fridays 6:00am-4:00pm.
